

**A FULL RANGE OF SERVICES
DEDICATED TO YOUR PERFORMANCE**

ON-SITE OR AT OUR PREMISES

“We are solution finders”

With presence in 40 countries, ATEQ Aviation - Test Instruments & Benches has built its reputation on reliable quality instruments and responsive professional Customer Service. In order to ensure the optimal functionality of your equipment, the ATEQ Aviation Team provides ground support equipment and services adapted to any requirement, regardless of the situation. All products have a two year warranty.

MULTI-BRAND CALIBRATION SERVICE

Ensure your productivity with a 3 Day Service Turnaround (shipping not included)

ATEQ has 10 accredited ISO/IEC 17025 laboratories all over the world: France, USA, Canada, China, Korea, India, Japan, Italy, Spain, Singapore. ATEQ Aviation recommends that our reliable instruments be calibrated annually to maintain optimal accuracy. This multi-brand service has a 6 months warranty.

DEMO UNIT RENTAL

Keep your maintenance and production departments running while your instrument is being serviced

ATEQ Aviation has a well-stocked inventory of rental equipment ready to be shipped out for quick turnaround. This service is also available during testing and feasibility studies.

TRAINING

Have your technicians and engineers immediately operational

Our training sessions are designed to ensure that technicians and engineers come out with a level of knowledge that allows them to make the most of their equipment. More than a mark of our advantage compared to competitors, this service illustrates our desire to work with our customers to form a close collaboration.

MAINTENANCE & REPAIR

+40 years Customer Support Experience

On-site device verification or at our premises, ATEQ Aviation maintenance is 6 months warranty. Adapter and Accessory Repair (100% replacements of COBRA Adapters damaged parts) and verification on test sets regardless of manufacturer. ATEQ Aviation has the tooling, inventory & expertise to quickly return your equipment to service and save your valuable time. Need phone support? ATEQ Aviation Team commits to provide quick and reliable answers.

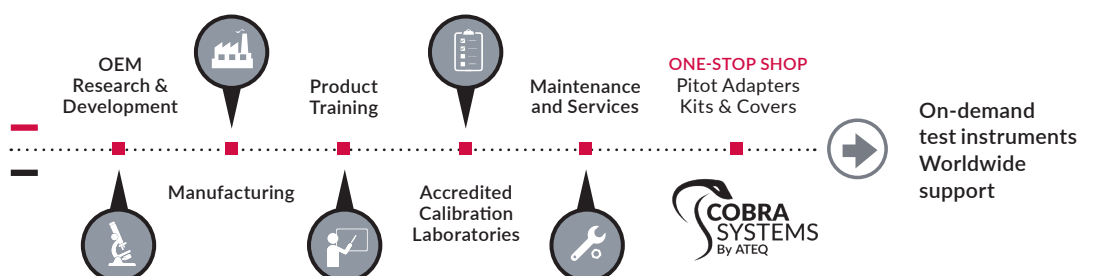

FREE LOAN PERIOD

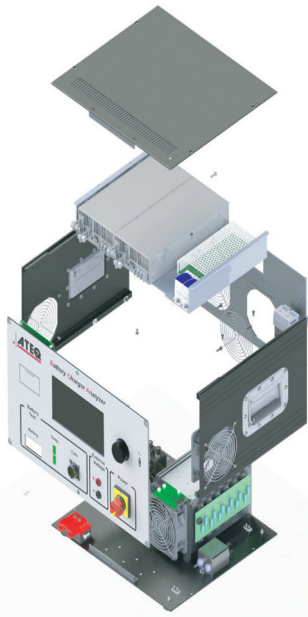

Enjoy an exclusive appreciated service

You can test our equipment free of charge to make sure that you have chosen the correct one.

ATEQ is committed to the process of continuous progress included in ISO 9001 certification. Our Customers are at the very heart of our concerns, so our development strategy is to make any request a challenge; any trouble an opportunity for moving forward.
